

Some patients like to review estimated treatment costs and payment options at the initial new patient exam. To provide you a more accurate estimation and to extend credit to our patients, it is necessary for Avon Orthodontics to run a credit report from the Trans Union Credit Bureau. If you would like to discuss your financial options during this appointment, your signature is needed below.

As a patient of Avon Orthodontics or responsible party, I give the authority to Avon Orthodontics to perform as necessary a soft inquiry* Credit Bureau report on the day of the initial visit.

Signature _____ Date _____

Thank you,

Gregory A. Johnson, D.D.S.

*A soft inquiry, or soft hit, is a term used to refer to an inquiry into your credit history that does not adversely affect the credit score. Often, you are not even aware that there has been a soft inquiry on your credit report. For example, if you receive a solicitation in the mail offering you a credit card, the credit card company has most likely conducted a soft pull to see if you qualify.
